

INAS-FID Headquarters

21 July 2008

To: All INAS member nations
Cc: Executive Committee members

Dear Colleagues

Please find below some information updates.

2009 Global Games

In response to questions from member nations, the Executive have confirmed that the 2009 Global Games in Czech Republic will be subject to the normal capitation tax (currently \$10) that is applied to all other INAS FID championships.

Teams should make provision for this when planning their entries.

2009 INAS FID General Assembly.

The Executive would like to invite bids to host the next General Assembly which is due to take place in April 2009. Bids should include information regarding accommodation, meeting facilities, social programme, costs and travel arrangements.

The Assembly is normally of 4 days duration (including arrival and departure days).

Bid documents should be sent in writing to the INAS Secretariat no later than 5th September 2008 and will be considered at the next Executive meeting in October.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'K. Nicol'.
